

RIG TECHNICIAN – MOTORHAND (Level One) Examination Information

The **Rig Technician - Motorhand** trade level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. When used for attempting to bypass this level of training, apprentices may challenge this examination only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Subject	Percent
Communication, Industry and Leadership	12%
Rig Safety and Safety Supervision	41%
Tools, Equipment and Rigging	18%
Power Systems	29%
	100%

Study all areas of the trade in preparing for the examination.

To assist you, modules can be ordered at the website provided below. You are encouraged to seek additional reference materials in all test areas.

Individual Learning Modules (ILMs) for the Rig Technician trade may be ordered through the SIAST Bookstore Call Center: 1-866-569-8398 or through www.tradesecrets.org/ under Rig Technician.
