

Important Information for Candidates

Multiple Welding Practical Exam Attempts

- 1) The Candidate is encouraged to listen to the advice given by the markers and practice the skills in the areas which they were not successful. This information will help candidate on next attempt.
- 2) Official exam results will be sent out in 4-6 weeks.
- 3) The official exam results package will contain all necessary forms and instructions. **Do not make application for examination until you have received and reviewed the results package.** All candidates must send in the Form 2 (Application for Exam) and fee for the next attempt.
- 4) The Candidate must wait at least 3 months from date of the unsuccessful attempt to qualify for their next attempt.
- 5) If the candidate is unsuccessful on 2nd attempt, the candidate must take mandatory upgrading prior to the 3rd attempt. Upgrading is also required between the 3rd and final (4th attempt). A Form 4 (Application for Upgrading) and fee are required. The Form 2 and fee must be included as well.
- 6) All candidates in a mandatory upgrading situation must contact their local Apprenticeship Consultant for important information on regulatory restrictions on exam attempts and counselling support.
- 7) Candidates are encouraged to call their local Apprenticeship office with any questions on how to proceed.
