Fast Facts - July 1, 2005 to June 30, 2006

- The Commission Board is an innovative public and private sector partnership. The Board is industry-led. Government, under-represented groups and trainers are also represented on the Commission Board.
- An equal number of employers and employee representatives are appointed to Trade Boards. In 2005-06, the Commission had 215 trade boards members.
- Industry, both provincially and nationally, sets the standard for training and certification in the trades.
- There are 50 designated trades, four require compulsory apprenticeship training - electrician, plumber, refrigeration mechanic, and sheet metal worker.
