

INCLUSIVE DAY

A SIGNATURE EVENT OF SASKATCHEWAN
CONSTRUCTION WEEK

April 13, 2018

Paired with the
Skills Competition Saskatchewan!

EVRAZ PLACE, HALL B - REGINA - 9:30 AM

What is it?

This unique event focuses on skills development in the workforce of today and the future by bringing together everyone involved in construction trade career opportunities – prospective students, apprentices, educators, and employers.

Keynote Speaker Loreena Spilsted, Chief Operating Officer, Saskatchewan Apprenticeship and Trade Certification Commission, will share success stories of her journey as an electrician.

The event will also feature past Skills Competition participants discussing their experiences and successes.

A construction industry mentor speed-networking event and tour of the Skills Competition will follow.

Who's invited?

- High school students;
- Women in Trades & Technology participants;
- First Nations students from the Saskatchewan Indian Institute of Technologies;
- Trades and Skills Construction Apprentices;
- Local construction employers;
- Industry-education representatives; and
- Teachers and guidance counselors.
