

RVST

Recreation Vehicle Service Technician

Saskatchewan
Apprenticeship and
Trade Certification
Commission

The latest Red Seal trade
in Saskatchewan.

Repairing and maintaining
RVs, 5th wheel and travel
trailers to keep you on the
road!

RV Service Technicians work in
truck and trailer shops that
service trailers and RVs, RV
specialty shops, transportation
companies and retail stores.

Ideal trade for someone with
good manual dexterity and
balance, and an aptitude for
mechanical work. If you like
working with electrical and
electronic systems, this might
be the trade for you!

Two ways to earn your Red Seal: Apprentice and Trade Qualifier

Apprenticeship Training

- 8 weeks of technical training each year for 3 years
- 1600 hours per level
- Earn E.I. and a living away from home allowance while at training

Tradespeople can certify

- 4.5 years (7200 hrs.) of on-the-tools experience required
- Use your work experience to earn your credential
- Add the acronym, RSE, "Red Seal Endorsment," after your name!

Professionalism in the RVST industry

- Display your Red Seal at your repair shop
- Give your customers peace of mind
- Tool tax breaks are available
