

Automotive Service Technician Level One Examination Information

The **Automotive Service Technician** level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Total number of questions on the Level One Placement Examination – 115 questions*

Subject	Percent	Number of Questions
Automotive Shop Fundamentals	14%	16
Body Components and Service Inspection	4%	5
Braking Systems	21%	24
Driveline Systems	13%	15
Electrical Systems and Components	21%	24
Engine Systems	14%	16
Steering, Suspension and Control Systems	13%	15
Total	100%	115

**The number of questions on a placement examination, assigned to assess each course in apprenticeship technical training, as derived from the collective input from workers within the trade across Saskatchewan.*

Suggested trade resources when preparing for the examination.

To assist you, a list of reference textbooks is provided below. Note that ISBN numbers are subject to change. Please consult with your supplier to access their most current version of the textbook you are acquiring. It is not necessary to use these specific textbooks; you may find others which will be equally beneficial. You are encouraged to seek additional reference materials in all test areas.
