

PLUMBER Level Two Examination Information

The **Plumber** trade level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Subject	Percent
Plumbing Systems	22%
Plumbing Code and Blueprint	26%
Hydronics	22%
Gasfitting	22%
Electric Controls	8%
Total	100%

Note: The 2015 National Plumbing Code of Canada will be provided when you write the examination.

The 2020 CSA Natural Gas and Propane Installation Code and the 2020 CSA Propane Storage and Handling Code will be provided when you write the examination

Study all areas of the trade in preparing for the examination.

To assist you, a list of reference textbooks is provided below. Note that ISBN numbers are subject to change. Please consult with your supplier to access their most current version of the text you are acquiring. It is not necessary to use these specific textbooks; you may find others which will be equally beneficial. You are encouraged to seek additional reference materials in all test areas.
