

STEAMFITTER-PIPEFITTER Level Two Examination Information

The **Steamfitter-Pipefitter** trade level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Subject	Percent
Blue Print Reading	12%
Pipe Fabrication	11%
Hydronic Systems	24%
Welding	12%
Steam	13%
Gasfitting	22%
Electrical	6%
	100%

Note: The 2020 CSA Natural Gas and Propane Installation Code and the 2020 CSA Propane Storage and Handling Code will be provided when you write the examination.

Study all areas of the trade in preparing for the examination.

To assist you, a list of reference textbooks is provided below. Note that ISBN numbers are subject to change. Please consult with your supplier to access their most current version of the text you are acquiring. It is not necessary to use these specific textbooks; you may find others which will be equally beneficial. You are encouraged to seek additional reference materials in all test areas.

Saskatchewan Polytechnic Information Purchased from Bookstore:

- CSA/B149.1-20 Natural Gas and Propane Installation Code Code 20336028
