The table shows the date of the exam along with the exam session number. No practical examinations in the month of December. An exam event will be available for clients to register for an exam up to approximately one month before the exam date or until the exam event is full.

Practical examinations:

- Candidates require a pass mark of 70% in the written examination before being eligible to apply for the practical examination.
- There are a minimum and maximum number of applicants that can attend a practical examination.
- The SATCC will **not** run a practical examination if there are too few applicants. If there is low enrollment for an examination, the examination will be cancelled, and all candidates will be contacted regarding rebooking their exam.
- Several trades are not listed on the schedule above (Esthetician – Nail Care Technician, Esthetician – Skin Care Technician, Machinist, Auto Body, and Collision Technician). Those applicants will be placed on a wait list, and once the minimum number of applications is received, a date and location will be scheduled. Candidates will be notified one month in advance to allow them time to prepare. To be put on the wait list please contact the examination department at examinationcoordinator@gov.sk.ca.
