

Automotive Refinishing Technician Level One Examination Information

The **Automotive Refinishing Technician** level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Total number of questions on the Level One Placement Examination – 100 questions*

Subject	Percent	Number of Questions
Standard Workplace Safety, Industry Overview, Regulations and Administration	21%	21
Component Removal, Installation and Final Detail	26%	26
Substrate Preparation	53%	53
Total	100%	100

**The number of questions on a placement examination, assigned to assess each course in apprenticeship technical training, as derived from the collective input from workers within the trade across Saskatchewan.*

Suggested trade resources when preparing for the examination.

To assist you, a list of reference textbooks is provided below. Note that ISBN numbers are subject to change. Please consult with your supplier to access their most current version of the textbook you are acquiring. It is not necessary to use these specific textbooks; you may find others which will be equally beneficial. You are encouraged to seek additional reference materials in all test areas.

- Auto Body Repair Technology by Duffy Delmar Publishers ISBN 9780766862722
- Collision Repair and Refinishing: A Foundation Course for Technicians by Thomas and Jund ISBN 9781401889944
