

Cabinetmaker Level One Examination Information

The Cabinetmaker trade level examinations are developed by the Saskatchewan Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the standards and expectations for Saskatchewan apprentices as follows:

Subject	Percent
Introduction to Safety	8%
Materials and Joinery	25%
Tools, Machines and Equipment	40%
Shop Drawing	17%
Trade Math	10%
	100%

There is a written and a practical component to this examination. The written examination must be completed successfully before applying for the practical examination.

This examination does not require the use of a codebook.
