

Carpenter

Level One Examination Information

The **Carpenter** trade level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Subject	Percent
Construction Safety	6%
Scaffolds and Rigging	7%
Building Materials	7%
Tools	6%
Construction Documents	13%
Site Layout	14%
Foundations	16%
Concrete	13%
Floor Framing	18%
	100%

Note: National Building Code of Canada - 2015 Volume 2 modified (Part 9 including the appendix and the index) will be provided when you write the examination.

Study all areas of the trade in preparing for the examination.

To assist you, a list of reference textbooks is provided below. **Note that ISBN numbers are subject to change. Please consult with your supplier to access their most current version of the text you are acquiring.** It is not necessary to use these specific textbooks; you may find others which will be equally beneficial. You are encouraged to seek additional reference materials in all test areas.
