

Construction Electrician Level 2 Examination Information

The **Construction Electrician** trade level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Subject	Percent
AC Theory and Meters	8%
Resistive, Inductive and Capacitive Circuits	8%
DC Machines	12%
Motor Starters and Controls	9%
Electronic Instruments, Rectification, Filtering	16%
Services under 900 m ²	16%
Transformers	15%
Residential Electric Heat	3%
Heating and Cooling Systems	13%
Total (100 Questions)	100%

Note: The 2021 Canadian Electrical Code will be provided for this examination.

Suggested trade resources when preparing for the examination.

To assist you, a list of reference textbooks is provided below. Note that ISBN numbers are subject to change. Please consult with your supplier to access their most current version of the text you are acquiring. It is not necessary to use these specific textbooks; you may find others which will be equally beneficial. You are encouraged to seek additional reference materials in all test areas.
