

Recreation Vehicle Service Technician Level One Examination Information

The **Recreation Vehicle Service Technician** level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Total number of questions on the Level One Placement Examination – 100 questions*

Subject	Percent	Number of Questions
Safety, Tools and Shop Equipment	16%	16
Plumbing	10%	10
Liquefied Petroleum (LP) Systems	18%	18
Direct Current (DC) Electrical Systems	20%	20
Appliance Operation and Accessories	18%	18
Mechanical and Towing Systems	18%	18
Total	100%	100

**The number of questions on a placement examination, assigned to assess each course in apprenticeship technical training, as derived from the collective input from workers within the trade across Saskatchewan.*

Suggested trade resources when preparing for the examination.
