

Carpenter

Level One Examination Information

The **Carpenter** trade level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Subject	Percent
Occupational Skills	10%
Safety Awareness	7%
Scaffolds and Rigging	6%
Building Materials	5%
Tools	17%
Construction Documents	7%
Site Layout	13%
Foundations	19%
Concrete	6%
Introduction to Framing	10%
	100%

Note: 2020 National Building Code of Canada Volume 2 will be provided when you write the examination.

Study all areas of the trade in preparing for the examination.

To assist you, a list of reference textbooks is provided below. **Note that ISBN numbers are subject to change. Please consult with your supplier to access their most current version of the text you are acquiring.** It is not necessary to use these specific textbooks; you may find others which will be equally beneficial. You are encouraged to seek additional reference materials in all test areas.
