

MOBILE CRANE OPERATOR

Level One Examination Information

The **Mobile Crane Operator** trade level examinations are developed by the Apprenticeship and Trade Certification Commission in co-operation with a committee of worker and employer representatives selected from industry. The pass mark is 70%. Apprentices may challenge this exam only once. Examination content is based on the expectations and standards for Saskatchewan apprentices as follows:

Subject	Percent	Number of Questions
Safety	23%	23
Rigging	25%	25
Load weight calculations	9%	9
Load charts	15%	15
Mobile crane operations	28%	28
Total	100%	100

***NOTE - to pass this examination you require an overall mark of at least 70%, along with a mark of at least 70% in the Load Charts section.**

Study all areas of the trade in preparing for the examination.

To assist you, a list of reference textbooks is provided below. Note that ISBN numbers are subject to change. Please consult with your supplier to access their most current version of the text you are acquiring. It is not necessary to use these specific textbooks; you may find others which will be equally beneficial. You are encouraged to seek additional reference materials in all test areas.
