If you don't have a cheque, you can download a direct deposit request or void cheque from your business banking account online or request one from your branch.
 - If you are having trouble finding this feature, contact your bank for assistance. The void cheque must have name (business or individual), address and pre-printed numbers indicating the bank, branch/transit and account numbers.

- Ensure you review the authorization section carefully and understand your responsibilities. Ensure your legal authorized representative signs and dates the direct deposit authorization. If using an electronic signature, it must be digitally certified or include an audit trail identifying the form was signed and completed by the named individual.
