Appliance Service Technician
Interprovincial Journeyperson Examination Information

Tradesperson Requirements:	4.5 years and 7200 hours
Practical Examination:	No

The interprovincial (IP) journeyperson examination for this trade is developed by a national committee of worker and employer representatives. The content for IP Examinations is drawn from the National Occupational Analysis (NOA) For that trade and is based on industry's standards and expectations. You can download and print a free copy of the NOA from the Red Seal website by visiting www.red-seal.ca.

To write the interprovincial journeyperson examination, you must either successfully complete an apprenticeship training program or meet tradesperson eligibility requirements. The pass mark is 70%.
